

Khoisan Tea (Pty) Ltd in Cape Town, South Africa produces and exports conventional and organic Rooibos Tea globally. We oversee everything from planting of seedlings to harvesting, cutting, fermenting, sterilising and packing of various Rooibos Tea products.

To enhance the tea drinking experience, every 40g unit contains 20x2g string-tag teabags, sealed in individual envelopes to ensure that our tea is as fresh as it was when it left the farm. Available as Organic Rooibos, Organic Rooibos Chai, Organic Green (unfermented) Rooibos, Organic Bourbon Vanilla (real pieces) Rooibos, Organic Rooibos & Honeybush, and Organic Honeybush Chai.

Ask us about our 2g envelopes (Organic Rooibos, Organic Rooibos Chai and Organic Bourbon Vanilla) for the hotel industry....

We pack tea for the world.

pure rooibos

Since 1997, we have grown our own organic Rooibos Tea (*Aspalathus linearis*) on our farm in the Cedarberg mountain region, and, today, we are a leading supplier in South Africa and an experienced exporter in the industry.

There are no preservatives, no colourants, and no artificial flavours in our Rooibos Tea.

No genetic modification.

Enjoy hot or cold, year-round.
Day or night.
